**Better Work Vietnam Safety Fun Run a Success!**  
**(Collected news links below)**

25 April 2011—As part of the celebration of the International Labour Organization’s World Day for Safety and Health at Work (28 April), over 3,000 textile and garment workers from Ho Chi Minh City and adjacent provinces took part in a run on April 17 organized by Better Work Vietnam. In addition to the run, workers and managers participated in activities to promote mutual understanding and cooperation about the importance of safety and health in the garment industry in Vietnam.
